### **TOWER PRODUCTS TO EXHIBIT UV/LED AND LOW VOC CLEANING TECHNOLOGIES AT INFOFLEX 2019**

**(Easton/Palmer Township PA) Tower Products, Inc., the leading manufacturer of environmentally sensitive pressroom chemistry for the offset and flexographic printing industry, will exhibit its full line of environmentally sound and low VOC cleaning technologies at InfoFlex 2019, May 6-7 in New Orleans, LA. Tower Products will be exhibiting in Booth #639.**

**Tower Products is the market leader in developing compliant, leading edge technologies in the graphic arts industry. The company manufactures a full line of plate, anilox, parts washing and general-purpose cleaning technologies as well as and has a full contingent of UV/LED products. The Tower booth will be staffed with knowledgeable technical representatives to explain these products and their applications in the flexographic pressroom.**

**For more information, please contact Tower Products at 800.527.8626 or email us at [info@towerproducts.com](mailto:info@towerproducts.com) or visit our website at [www.towerflexo.com](http://www.towerflexo.com).**
